

Contents

DVD-I	Introduction and Basics of Modern Vitreoretinal Approaches.....	1
	Introduction	1
	Animation of Vitrectomy	3
	Visualization System—Options (Power Point Presentation)	4
	Cafeteria of Choice for Posterior Vitreous Detachment (PVD) Induction (Case I-XII)	4
	Animation of Principles of Membrane Peeling	4
	Hybrid 23G-20G Surgery (Case I-VI)	4
	Intravitreal Worms	6
	Intravitreal Procedures	7
DVD-II	Vitreous Hemorrhage and Proliferative Retinopathies	8
	PVD Induced with Superior Large Break with Localized Retinal Detachment (RD)	8
	Subhyaloid Hemorrhage	8
	Ruptured Macroaneurysm	9
	Branch Retinal Vein Occlusion (BRVO)	10
	Post Central Retinal Vein Occlusion (CRVO)	11
	Diabetic Vitreous Hemorrhage	11
	Diabetic Membrane Peeling	12
	Bimanual MIVS for Advanced Diabetic Retinopathy (Case I-V)	15
	Periphlebitis with Vitreous Hemorrhage	17
	Subretinal Hematoma with Vitreous Hemorrhage	18
DVD-III	Retinal Detachments.....	21
	Scleral Buckling	21
	Basic Steps of Vitreoretinal Intervention for Rhegmatogenous Retinal Detachments (RDs)	21
	Aphakia with RD	22
	Pseudophakia with RD	22
	Phakic RD with Clear Lens	24
	Phakic RD with Cataract	27

DVD-IV Retinal Detachment in Special Situations.....	30
Giant Retinal Tear (GRT)	30
Fundal Coloboma with RD	31
Retinal Detachment with Macular Hole	33
Retinal Detachment with Intraretinal Cyst	34
Bimanual MIVS in Complex RD Cases	34
Managing Failed/Recurrent RDs	37
DVD-V Vitreomacular Interface Disorders	40
Chromovitrectomy-Few Informations	40
Epimacular Membranes	40
Vitreomacular Traction with Taught Posterior Hyaloid Face	43
Partial Thickness Macular Holes	44
Full Thickness Macular Holes (FTMH)	45
Optic Disc Pit with Maculopathy	50
DVD-VI Managing Mishaps after Cataract Surgeries and Ocular Traumas	51
Dropped Cataracts	51
Miscellaneous Consequences	54
Dropped IOL	55
Endophthalmitis	58
Managing Ocular Traumas	62
DVD-VII Miscellaneous and Recent Advances	67
Combined Phacoemulsification and Vitreoretinal Intervention (Case I-XII)	67
Managing Peroperative Complications	73
Surgeries with Valved Cannula	79
27G Vitrectomies	80
Glued IOLs	82
