## Color Plates

### Section 1: Basic Concepts of Community Medicine

#### Chapter 1: Introduction to Community Medicine 3

- ❖ Hygiene 3
- ❖ Preventive Medicine 3
- ❖ Social Medicine 3
- ❖ Public Health 4
- ❖ Community Diagnosis 6

#### Chapter 2: Concept of Health 9

- ❖ Physical Dimension 9
- ❖ Mental Dimension 9
- ❖ Social Dimension 9
- ❖ Spiritual Dimension 9
- ❖ Emotional Dimension 9
- ❖ Vocational Dimension 9
- ❖ Positive Health 9
- ❖ Well-being 9
- ❖ Human Development Index 10
- ❖ Gross Domestic Product 11
- ❖ Spectrum of Health 11
- ❖ Iceberg of Health 11
- ❖ Determinants of Health 11
- ❖ Barriers to Health 12
- ❖ Indicators of Health 13
- ❖ Holistic Health 15
- ❖ Digi Health 16

#### Chapter 3: Concept of Disease 17

- ❖ Natural History of Disease 18
- ❖ Iceberg Phenomenon of Disease 20

#### Chapter 4: Concept of Prevention 21

- ❖ Primary Prevention 21
- ❖ Primordial Prevention 21
- ❖ Jakarta Declaration on Health Promotion in the 21st Century 22
- ❖ Secondary Prevention 23
- ❖ Tertiary Prevention 24

### Section 2: Environment and Health

#### Chapter 5: Environment and Water 29

- ❖ Water 29
- ❖ Water Cycle 30
- ❖ Well 30
- ❖ Health Hazards of Water Contamination 32

- ❖ Purification of Water 32
- ❖ Kangen Water 43
- ❖ Hardness of Water 44
- ❖ Conservation of Water Resources 45
- ❖ Laboratory Examination of Water 46
- ❖ Water Quality Standards 50

#### Chapter 6: Air and Ventilation 51

- ❖ Changes in the Air due to Human Occupancy 51
- ❖ Effects of Vitiated Air 51
- ❖ Indicators of Thermal Comfort 51
- ❖ Air Pollution 52
- ❖ Ventilation 54

#### Chapter 7: Noise 57

- ❖ Noise Level Values 57
- ❖ Instruments Used in the Study of Noise 57
- ❖ Hazards of Noise Pollution 57
- ❖ Prevention and Control of Noise Pollution 58

#### Chapter 8: Light 59

- ❖ Measurement of Light 59
- ❖ Natural Lighting 59
- ❖ Artificial Lighting 59
- ❖ Health Hazards of Lighting 60

#### Chapter 9: Radiation 61

- ❖ Nonionizing Radiations 61
- ❖ Ionizing Radiations 62
- ❖ Prevention and Control of Radiation Hazards 64

#### Chapter 10: Housing 66

- ❖ Requirements of a House 66
- ❖ Housing Standards 66
- ❖ Housing and Health 67
- ❖ Indicators of Housing 68
- ❖ Housing Problem 68

#### Chapter 11: Meteorology 69

- ❖ Atmospheric Pressure 69
- ❖ Air Temperature 70
- ❖ Humidity 74
- ❖ Air Movement 75

#### Chapter 12: Disposal of Wastes 77

- ❖ Refuse 77
- ❖ Methods of Refuse Disposal 77
- ❖ Recycling of Refuse 79
- ❖ Disposal of Excreta 79

- ❖ Swachh Bharat Abhiyan 84
- ❖ E-Toilets 85
- ❖ Disposal of Sullage 85
- ❖ Disposal of Sewage (Sewage Treatment) 86
- ❖ Great Sanitary Awakening 90

### Chapter 13: Management of Hospital Waste 91

- ❖ Characteristics of Healthcare Waste 91
- ❖ Quantity of Healthcare Waste 91
- ❖ Objectives of the Waste Management System 91
- ❖ Biomedical Waste Management Rules, 2016 92
- ❖ Schedule I: Part – 1 93
- ❖ Strategies Adopted for Hospital Waste Management 94
- ❖ Available Treatment and Disposal Technologies 96
- ❖ Decontamination Procedure 102
- ❖ Plastic Waste Management 102

### Chapter 14: Electronic Waste Management 104

- ❖ E-Waste Burden Globally 105
- ❖ Burden in India 105
- ❖ Sources of E-Waste 105
- ❖ Impacts/Hazards of E-Waste 105
- ❖ Basel Convention 105
- ❖ Waste Minimization Techniques 106
- ❖ Management Options 106
- ❖ E-Waste Disposal 107

### Chapter 15: Medical Entomology 108

- ❖ Classification of Arthropods 108
- ❖ Arthropod-Borne Diseases 109
- ❖ Common Terms Used in Entomology 109
- ❖ Principles of Arthropod Control 109
- ❖ Arthropods of Public Health Importance 110
- ❖ Disinsection 142
- ❖ Insecticide Toxicity 144
- ❖ Rodents 144

## Section 3: Nutrition and Health

### Chapter 16: Nutrition and Health 149

- ❖ Classification of Foods 149
- ❖ Nutrients 149
- ❖ Antioxidants 162
- ❖ Food Groups 162
- ❖ Energy Requirements 168
- ❖ Balanced Diet 169
- ❖ Food Hygiene 171
- ❖ Food-Related Diseases (Public Health Nutrition Problems) 179
- ❖ Anemia Mukht Bharat (Intensified National Iron Plus Initiative) 187
- ❖ Iodine-Deficiency Disorders 188
- ❖ Assessment of Iodine Deficiency Disorders 191
- ❖ Global Hunger Index 192
- ❖ National Nutrition Policy 204
- ❖ National Programs on Nutrition 205
- ❖ Annexure 205

## Section 4: Occupational Health

### Chapter 17: Occupational Health 209

- ❖ Burden of Occupational Diseases 209
- ❖ Ergonomics 209
- ❖ Occupational Hazards 211
- ❖ Pneumoconioses 212
- ❖ Lead Poisoning (Plumbism) 216
- ❖ Metal Fume Fever (Brass Founder's Ague) 218
- ❖ Occupational Cancers 218
- ❖ Occupational Dermatoses 220
- ❖ Occupational Health in Agricultural Industry 220
- ❖ Hazards due to Industrialization and Urbanization 221
- ❖ Accidents in Industries 222
- ❖ Sickness Absenteeism 222
- ❖ Women in Industry 223
- ❖ Health Status of Industry 224
- ❖ Prevention and Control of Occupational Hazards 224
- ❖ Legislation 227
- ❖ Social Security 229
- ❖ National Health Insurance Schemes (National Health Portal of India) 231

## Section 5: Epidemiology

### Chapter 18: Principles and Practice of Epidemiology 239

- ❖ Epidemiology 239
- ❖ Medical Certificate of Cause of Death 245
- ❖ Verbal Autopsy 246
- ❖ Epidemiological Studies (Methods) 248
- ❖ Association and Causation 261

### Chapter 19: Epidemiology of Infectious Diseases 264

- ❖ Commonly Used Terms 264
- ❖ Eradication of a Disease 266
- ❖ Surveillance 266
- ❖ Sentinel Surveillance 268
- ❖ Dynamics of Disease Transmission 269
- ❖ Incubation Period 272
- ❖ Investigation of an Outbreak of a Disease 273
- ❖ Prevention and Control of an Epidemic Disease 275
- ❖ Immunization Program 281
- ❖ Cold Chain 288
- ❖ Reverse Cold Chain 292
- ❖ Screening for Disease 295
- ❖ Disinfection 298
- ❖ Healthcare-Associated Infections (Nosocomial Infections) 305
- ❖ Health Hazards Among Healthcare Workers 309
- ❖ Empiriatrics 311

### Chapter 20: Epidemiology of Communicable Diseases 314

- ❖ **Air-Borne Diseases 314**
- ❖ Story of Smallpox (Variola Major) (Obituary) 314
- ❖ Chickenpox (Varicella; Waterpox) 315
- ❖ Acute Respiratory Infections 317
- ❖ Pneumococcal Vaccines 319
- ❖ Measles (Morbilli; Rubeola) 321

- ❖ Global Elimination of Measles and Rubella Strategic Framework 2021–2030 328
- ❖ Mumps 329
- ❖ Influenza 330
- ❖ Diphtheria 338
- ❖ Whooping Cough (Pertussis) 343
- ❖ Meningococcal Meningitis (Cerebrospinal Fever or Cerebrospinal Meningitis) 345
- ❖ Tuberculosis 347
- ❖ Tuberculosis and HIV 358
- ❖ Severe Acute Respiratory Syndrome 359

#### **Water-Borne Diseases 362**

- ❖ Typhoid Fever 362
- ❖ Acute Diarrheal Diseases 366
- ❖ Cholera 372
- ❖ Viral Hepatitis 377
- ❖ Poliomyelitis 386
- ❖ Dracunculiasis 392
- ❖ Amebiasis 393
- ❖ Giardiasis 394

#### **Soil-Borne Diseases 396**

- ❖ Ascariasis 396
- ❖ Ancylostomiasis 398
- ❖ Tetanus 402
- ❖ Neonatal Tetanus 406

#### **Vector-Borne Diseases 408**

- ❖ Malaria 408
- ❖ Lymphatic Filariasis 417
- ❖ Human African Trypanosomiasis 424
- ❖ Zoonoses 425
- ❖ Plague 428
- ❖ Leptospirosis 432
- ❖ Leishmaniasis 434
- ❖ Arboviral Diseases 436
- ❖ Yellow Fever 436
- ❖ Dengue Fever 438
- ❖ Japanese Encephalitis 442
- ❖ Chikungunya Fever (Epidemic Polyarthrititis) 446
- ❖ Kyasanur Forest Disease 447
- ❖ Rickettsial Diseases 450
- ❖ Viral Hemorrhagic Fever Diseases 452

#### **Sexually Transmitted Infections 455**

- ❖ Extent of the Problem 456
- ❖ Agent Factors 456
- ❖ Host Factors 456
- ❖ Social Factors 456
- ❖ Demographic Factors 457
- ❖ International Travel 457
- ❖ Changes in the Lifestyle 457
- ❖ High-Risk Groups 457
- ❖ Prevention and Control 457
- ❖ Syndromic Case Management of RTI/STI (Syndromic Approach) 458
- ❖ Human Immunodeficiency Virus/Acquired Immunodeficiency Syndrome 461

- ❖ Antiretroviral Treatment in Adults and Adolescents (National Guidelines) 471
- ❖ Post-exposure Prophylaxis for HIV 476
- ❖ Parent-to-Child Transmission of HIV 479
- ❖ Prophylaxis for Opportunistic Infections 482

#### **Surface Infections 483**

- ❖ Rabies 483
- ❖ National Action Plan for Dog Mediated Rabies Elimination from India by 2030 492
- ❖ Leprosy 493
- ❖ Yaws 509

### **Chapter 21: Epidemiology of Noncommunicable Diseases 512**

- ❖ Noncommunicable Diseases 512
- ❖ Future Plan to Prevent and Control Noncommunicable Diseases 514
- ❖ Cardiovascular Diseases 514
- ❖ Obesity 525
- ❖ Cancer 528
- ❖ Diabetes Mellitus 539
- ❖ Accidents 544
- ❖ Burns 546
- ❖ Blindness 548
- ❖ Stress 552
- ❖ Suicide 554

### **Section 6: Health-Related Disciplines**

### **Chapter 22: Maternal and Child Health Services (Preventive Obstetrics and Pediatrics) 561**

- ❖ Mother and Child—One Unit 561
- ❖ Services to the Mothers 562
- ❖ Services to Children 572
- ❖ Wash in Schools 599
- ❖ Home-based Newborn Care 607
- ❖ Rights of the Child 608
- ❖ National Programmes for the Welfare of Mothers and Children 608
- ❖ Womens' Empowerment (Surakshit Bharat for Women) 609
- ❖ Gender Equality and Women Empowerment 610
- ❖ Integrated Mother and Child Development Services Scheme 611
- ❖ Street Children 614
- ❖ Child Welfare Policies, Legislations and Programs in India 615
- ❖ Sources of Demographic Data 618
- ❖ Demographic Cycle (Demographic Stages) 618

### **Chapter 23: Demography 618**

- ❖ Size of the Population (Magnitude of the Population) 619
- ❖ Epidemiological Transition 620
- ❖ Sample Registration System 621
- ❖ Population Trend in the World 622
- ❖ Population Trend in India 622
- ❖ Mid-Year Population 623
- ❖ Composition of the Population 624
- ❖ Population Pyramid (Age and Sex Composition) 624
- ❖ Gender Equity and Gender Equality 628
- ❖ Distribution of the Population 628

❖ Population Dynamics	629	
❖ Population Explosion (Population Bomb)	631	
❖ Population Stabilization	632	
<b>Chapter 24: Family Planning</b>		<b>634</b>
❖ Scope of Family Planning Services	634	
❖ Contraceptive Methods (Fertility-Regulating Methods; Techniques of Birth Control)	635	
❖ Medical Termination of Pregnancy Amendment Bill, 2020	649	
❖ Male Contraception	655	
❖ Evaluation of Contraceptive Methods	656	
❖ Unmet Need for Family Planning	656	
❖ Social Marketing	657	
❖ National Family Health Survey-5 (2019–2021)	657	
<b>Chapter 25: Biostatistics</b>		<b>659</b>
❖ Variability	659	
❖ Applications of Biostatistics	659	
❖ Data—Definition, Types and Sources	659	
❖ Presentation of Statistical Data	660	
❖ Measures of Central Tendency	667	
❖ Measures of Location: Quantiles	669	
❖ Measures of Dispersion	670	
❖ Probability	673	
❖ Sampling	676	
❖ Significance	681	
❖ Correlation and Regression Correlation	691	
❖ Life Table	693	
❖ Meta-analysis	695	
❖ Research Methodology	695	
❖ Formulation of a Research Question	698	
<b>Chapter 26: Social Science</b>		<b>703</b>
❖ Community	703	
❖ Culture	704	
❖ Acculturation	704	
❖ Family System	704	
❖ Family Cycle	704	
❖ Family Types	704	
❖ Family Functions	705	
❖ Role of Family and Cultural Factors in Health and Disease	706	
❖ Social Relationship and Health	708	
❖ Social Process	709	
❖ Poverty—its Relation with Health and Disease	713	
❖ Below Poverty Line	713	
❖ Social Factors in Health and Disease (Social Pathology)	715	
❖ Management or Prevention of Social Pathology	719	
❖ Operational Research	720	
❖ Medicosocial Worker	720	
❖ Personal Hygiene	721	
❖ Refugee Health	721	
❖ Social Psychology	722	
<b>Chapter 27: Information, Education and Communication</b>		<b>725</b>
❖ Information	725	
❖ Education	725	
❖ Communication	725	
❖ Steps in IEC: Planning, Implementation, and Evaluation	726	
❖ Types of Communication	726	
❖ Barriers of Communication	726	
❖ Health Education	727	
❖ Domains of Learning Process	733	
❖ Soap Technique	733	
❖ Body Language	733	
❖ Anatomy of Lesson Plan	734	
❖ Evaluation of Health Education Program	734	
❖ Counseling	735	
<b>Chapter 28: Human Genetics</b>		<b>737</b>
❖ Multiplication	737	
❖ Chromosomes	737	
❖ Deoxyribonucleic Acid	738	
❖ Population Genetics	738	
❖ Classification of Genetic Disorders	739	
❖ Gene Therapy	742	
<b>Chapter 29: Preventive Geriatrics</b>		<b>744</b>
❖ Population of the Aged	744	
❖ Theories of Aging Process	744	
❖ Health Problems of the Aged	745	
❖ Geriatric Counseling	745	
❖ Prevention of Health Problems Among Aged	746	
❖ Elder Abuse	747	
❖ Old Age Social and Income Security	748	
❖ Helpline India	749	
❖ National Policy on Older Persons	749	
❖ Benefits Given to Senior Citizens of India	750	
<b>Chapter 30: Mental Health</b>		<b>751</b>
❖ Magnitude of the Problem	751	
❖ Causative Factors (Risk Factors)	751	
❖ Types of Mental Disorders	752	
❖ Prevention and Control of Mental Illness	753	
❖ Primary Mental Health Care	754	
❖ Community Psychiatry	755	
❖ Mental Health Laws in India	756	
<b>Chapter 31: Adolescent Health</b>		<b>758</b>
❖ Changes During Adolescence	758	
❖ Challenges in Adolescent Health in India	759	
❖ Impacts of Adolescence	759	
❖ Adolescent Health Problems	759	
❖ Services in Adolescent Health Clinics	759	
❖ Recommendations	760	
❖ Adolescent Reproductive and Sexual Health	760	
❖ “All in” Initiative	761	
❖ Rashtriya Kishor Swasthya Karyakram	762	
<b>Chapter 32: Alcoholism and Drug Addiction</b>		<b>763</b>
❖ Addiction as a Disease	763	
<b>Section 7: Health Administration and Organization</b>		
<b>Chapter 33: Tribal Health</b>		<b>769</b>
❖ Recommendations	771	
<b>Chapter 34: Health for All</b>		<b>775</b>
❖ Meaning	775	
❖ Historical Perspective	775	
❖ Importance	775	
❖ Milestones	775	

<b>Chapter 35: Millennium Development Goals</b>	<b>777</b>	
<b>Chapter 36: Sustainable Development Goals</b>	<b>781</b>	
❖ Background	781	
❖ Health Goal and Health Targets	782	
<b>Chapter 37: Health Care</b>	<b>784</b>	
❖ Three-tier System of Health Care	784	
❖ Selective Primary Health Care	786	
❖ Universal Health Coverage	787	
❖ Organizational Framework of Healthcare Systems	789	
❖ Indian Public Health Standards for Sub-centers (Revised 2012)	802	
❖ Health and Wellness Centres	810	
❖ Role of Computers in Health Care	811	
❖ Essential Medicines	813	
❖ Counterfeit Medicines	814	
<b>Chapter 38: National Health Mission</b>	<b>817</b>	
❖ National Health Mission	817	
❖ National Rural Health Mission	818	
❖ National Urban Health Mission	823	
❖ Autodisable Syringes	825	
❖ Schemes	826	
<b>Chapter 39: Health Planning and Management</b>	<b>840</b>	
❖ Health Planning	840	
❖ Health Information Technology	844	
<b>Chapter 40: National Health Planning</b>	<b>846</b>	
❖ Bhole Committee Report, 1946	846	
❖ Mudaliar Committee Report, 1962	847	
❖ Chadha Committee Report, 1963	847	
❖ Mukherjee Committee Report, 1965	847	
❖ Mukherjee Committee Report, 1966	847	
❖ Jungalwalla Committee Report, 1967	847	
❖ Kartar Singh Committee Report, 1973	847	
❖ Srivastav Committee Report	848	
❖ National Developmental Plans	848	
❖ NITI Aayog	851	
❖ Rural Development	852	
❖ Poverty Alleviation Programs in India	853	
<b>Chapter 41: National Health Policy</b>	<b>855</b>	
❖ National Digital Health Mission	859	
<b>Chapter 42: National Voluntary Health Agencies/Organizations</b>	<b>861</b>	
❖ Voluntary Health Agencies	861	
❖ Voluntary Health Association of India	861	
❖ Voluntary Health Agencies in India	862	
<b>Chapter 43: International Health Organizations</b>	<b>864</b>	
❖ Concept of International Health	864	
❖ World Health Organization	864	
❖ United Nations International Children's Emergency Fund	867	
❖ United Nations Development Programme	869	
❖ Food and Agricultural Organization	869	
❖ International Labor Organization	869	
❖ United Nations Fund for Population Activities	869	
❖ United Nations Educational, Scientific and Cultural Organization	869	
❖ United Nations High Commission for Refugees	869	
❖ World Bank	870	
❖ United Nations Joint Programme on AIDS	870	
❖ World Food Programme	870	
<b>Chapter 44: Bilateral Agencies</b>	<b>871</b>	
❖ Nongovernment (Non-United Nations) Agencies	871	
❖ Other Voluntary Organizations	874	
<b>Chapter 45: National Health Programs</b>	<b>875</b>	
❖ National Filaria Control Programme	881	
❖ National Kala-Azar Control Programme	882	
❖ National Kala-Azar Elimination Programme	883	
❖ National Japanese Encephalitis Control Programme	884	
❖ National Dengue Fever or Dengue Hemorrhagic Fever Control Programme	884	
❖ National Leprosy Control Programme	884	
❖ National Leprosy Eradication Programme	884	
❖ National Guinea Worm Eradication Programme	885	
❖ Universal Immunization Programme	886	
❖ Polio End Game Strategy (2019–2023)	886	
❖ National Tuberculosis Elimination Programme	888	
❖ WHO 1+1 Initiative	892	
❖ National Acute Respiratory Infections Control Programme	893	
❖ National Diarrheal Diseases Control Programme	893	
❖ National AIDS Control Programme	893	
❖ '3 by 5' Initiative	900	
❖ National Framework for Joint HIV/TB Collaborative Activities	900	
❖ National Strategic Plan for HIV/AIDS and STI, 2017–2024	900	
❖ National Action Plan Combating Viral Hepatitis in India and National Viral Hepatitis Control Programme	904	
❖ National Yaws Eradication Programme	907	
❖ National Programme for the Control of Blindness and Visual Impairment	907	
❖ National Programme for the Control of Blindness and Visual Impairment Achievement	908	
❖ National Programme for Prevention and Control of Deafness	909	
❖ National Programme on Prevention and Control of Cancer, Diabetes, Cardiovascular Diseases and Stroke	910	
❖ National Mental Health Programme	915	
❖ District Mental Health Programme	918	
❖ National Iodine Deficiency Disorders Control Programme	919	
❖ National Programme for Control and Treatment of Occupational Diseases	919	
❖ National Programme on Prevention and Control of Fluorosis	920	
❖ National Programme for Prevention and Management of Trauma and Burn Injuries	921	
❖ National Vitamin 'A' Prophylaxis Programme	923	
❖ National Nutritional Anemia Control Programme	923	
❖ National Special Nutrition Programme	923	
❖ National Balwadi Nutrition Programme	923	
❖ National Mid-day School Meal Programme	923	
❖ National Integrated Child Development Services Scheme	923	
❖ POSHAN Abhiyaan	924	
❖ National Programme for Health Care of the Elderly	925	
❖ National Tobacco Control Programme	927	
❖ National Family Welfare Programme	929	
❖ National Family Planning Indemnity Scheme	930	
❖ Reproductive and Child Health Program	932	
❖ All India Hospital Postpartum Programme	933	
❖ National Water Supply and Sanitation Programme	933	
❖ Minimum Needs Programme	934	

❖ Twenty Point Programme 934			
❖ National Oral Health Programme 935			
❖ National Clean Air Programme 936			
<b>Chapter 46: Community Development Programs of India</b>	<b>940</b>	<b>Chapter 54: Tobacco and Health</b>	<b>985</b>
❖ Characteristics 940		❖ History 985	
❖ Importance of CDP 940		❖ Tobacco Prevalence 985	
❖ Aim of CDP 940		❖ Prevalence of Smoking 985	
❖ Objective of CDP 940		❖ Public Health Importance 985	
❖ Organization 941		❖ Types of Tobacco 986
