

CONTENTS

Chapter 1: Introduction to Community Health Nursing 1

- Introduction to Health 1
- Changing Concept of Health 1
- Dimensions of Health 2
- Positive Health 3
- Concept of Well-Being 4
- Concept of Illness 4
- Theories and Models of Disease Causation 5
- The Health Sickness Spectrum 8
- Health Illness Continuum 8
- Natural History of Disease 8
- Disease Cycle 9
- Iceberg Phenomenon of Disease 9
- Indicators of Health 10
- Determinants of Health 13
- Health Economics 14
- Genetics and Health 16
- Eugenics 16
- Level of Prevention 17
- Health Promotion 18
- Introduction to Community Health Nursing 20
- Needs of Community 23
- Community Health 23
- Community Health Nursing Approaches 25
- Home Visit 26
- Bag Technique 27
- Current Status of Community Health Nursing 28
- Issues and Challenges of Community Health Nurse 29
- Principles of Community Health Nursing 30
- Ethics Involved in Community Health Nursing 31
- Sociocultural Issues in Community Health Nursing 32
- Concept of Public Health 42
- Community Diagnosis 46
- Health for All 48
- Millennium Development Goals 49
- Primary Health Care 56
- Comprehensive Primary Health Care 62
- Community Health Nursing Process 67

Chapter 2: Family Health Nursing 82

- Types of Family 84
- Family Cycle 85
- Functions of the Family 86
- Family as a Unit of Community Health Nursing 87
- The Determinants of Family Health 88
- Family Development and its Tasks 89

Nursing Care for Special Groups 89

- Physically Handicapped 89
- Care of Mentally Challenged 90

- Care of Children 93
- Geriatric Care 93
- Family Health Nursing 94
- Family Health Nursing Process 96
- Family Nursing Theory 101

Family Social Science Theories 101

- Duvall's Family Developmental Theory (Major Concepts) 101
- Stevenson's Family Developmental Model 103
- Friedman's Structural-functional Theory 103
- Aguilera and Messick's Crisis Intervention Theory 104
- Family Health Records 105
- Health Assessment of Individual and Families 109
- Assessment of Children 113
- Assessment of Adolescents 116
- Assessment of Vitals 118
- Growth and Development 119
- Growth Monitoring 121
- Development 123
- The Menstrual Cycle 125
- Breast Self-examination 125
- Testicular Self-examination 126
- Warning Signs of Various Disease 127
- Urine Test for Glucose 129
- Urine Test for Albumin 130
- Blood Test for Hemoglobin 131

Chapter 3: Epidemiology 132

- Concept of Epidemiology 132
- Historical Background and Trends of Epidemiology 134
- Methods of Epidemiological Investigation 135
- Uses of Epidemiology 148
- Disease Transmission 149
- Epidemiology of Emerging and Re-emerging Diseases 151
- Epidemiological Investigation 153
- Presentation of Epidemiological Data 154
- Application of Epidemiology in Healthcare Delivery 158
- Role of a Nurse in Epidemiology 159

Chapter 4: Communication and Health Education 161

- Concept of Communication 161
- Purposes/Importance of Communication 161
- Process of Communication 161
- Types of Communication 161
- Principles and Barriers of Communication 162
- Health Education 163
- Information Education and Communication 169
- Behavior Change Communication 172

- Health Belief Model 174
- Social and Behavior Change Communication 179
- Information System 181
- Management Information System 181
- Information Technology 183
- Telemedicine 184
- Telenursing 187
- Journalism 188

Chapter 5: Nutrition**191**

- Concept of Nutrition 191

Type I and Type II Nutrients 193

- Protein 193
- Carbohydrates 195
- Fats or Lipids 198
- Malnutrition 199
- Concept of First 1,000 Days 205
- Obesity 205
- Vitamins 206
- Vitamin A 207
- Vitamin D 208
- Vitamin E 209
- Vitamin K 210
- Thiamine or Vitamin B₁ 211
- Riboflavin or Vitamin B₂ 212
- Niacin or Nicotinic Acid 212
- Pyridoxine or Vitamin B₆ 213
- Folic Acid Group 213
- Cyanocobalamin or Vitamin B₁₂ 214
- Ascorbic Acid or Vitamin C 214
- Mineral Elements 215
- Calcium 215
- Phosphorus 216
- Magnesium 216
- Potassium 217
- Sodium 217
- Iodine 218
- Iron 218
- Food Groups 219
- Cereals, Roots and Tubers 219
- Pulses, Nuts and Oilseeds 219
- Milk, Meat and their Products 220
- Fruits and Vegetables 222
- Fats and Oils, Sugar and Jaggery 222
- Balanced Diet 223
- Meal Planning 223
- Diet Plan for Different Age Groups 227
- Food Adulteration 230
- Foodborne Illness or Disease 232
- Food Hygiene/Food Safety 236
- Five Keys to Safer Food 237
- Different Branches of Food Hygiene 239
- Assessment of Nutritional Status 243
- Methods of Cooking 246
- Combination of Cooking Methods 248
- Food Preservation 249
- Canning Procedure 250
- Nutrition Education 251

- Nutritional Rehabilitation 253
- National Nutrition Policy 253
- The Village Health, Sanitation and Nutrition Committee 254

Chapter 6: Environment and Health**258**

- Concept of Environment and Environmental Health 258
- Natural Resources 259
- Natural Resources and Associated Problems 260
- Role of Individual in Conservation of Natural Resources 262
- Equitable Use of Resources for Sustainable Life-style 263
- Ecology 264
- Ecosystem 265
- Biodiversity 269
- Water 273
- Hardness of Water 275
- Water Pollution 275
- Water Purification 276
- Water Quality Standards 281

Air 283

- Air Pollution 284
- Effects of Air Pollution 286
- Air Pollution Control 288

Lighting 289

- Factors Essential for Good Lighting 289
- Suggestions for Improving Daylight Illumination 290
- Artificial Lighting 290
- Land and its Pollution 291
- Noise and its Pollution 293
- Radioactive Pollution 295
- Housing 297
- Criteria for Healthful Housing 298
- Disposal of Wastes 300
- Excreta Disposal 303
- Septic Tank 304
- Sulabh Shauchalaya 305
- Water Carriage System 306
- Sewage 307
- Modern Sewage Treatment 308
- Thermal Pollution 311
- Climate Change 311
- Global Warming 312
- Heat Wave 314
- Acid Rain 314
- Ozone Layer Depletion 315
- Wasteland Reclamation 316

Social Issues and Environment 316

- Sustainable Development 317
- Urban Problems Related to Energy 317
- Water Conservation 318
- Rainwater Harvesting 318
- Watershed Management 320
- Environmental Ethics 321
- The Environmental Protection Act 323
- The Air Pollution Prevention and Control Act 323
- The Water Pollution Prevention and Control Act 324
- The Wildlife Protection Act 325

- Forest Conservation Act 326
- Issues Involved in Enforcement of Environmental Legislation 327
- Commonly Used Insecticides and Pesticides 327
- Pesticides 328
- Medical Entomology 330
- Mosquitoes 331
- Louse 332
- Flies 333
- Fleas 335
- Life Cycle 335
- Bugs 336
- Ticks 336
- Mites 336
- Rodents 337

Chapter 7: Maternal and Child Health Care 338

- Introduction to the Concept of Maternal and Child Health Care 338
- Preconceptional Care 340
- Antenatal Care 340
- Natal Care 346
- Postnatal Care 347
- Term, Small for Gestational Age and Preterm, Large-for-Date 351
- Child Health 357
- National Policy for Children 359
- Integrated Management of Childhood Illness 360
- The IMNCI Case Management Process 361
- Case Management of Sick Young Infants (0–2 Months) 362
- Management of Children Age 2 Months Upto 5 Years 365

Chapter 8: Community Health Planning and Organization 369

- Historical Overview of Planning 369
- Planning of a Program 369
- Planning Process 370
- Steps of Program Planning 371
- Developing an Evaluation Plan 372
- General Steps of Evaluation Process 373
- Role of a Nurse in Program Planning and Evaluation 374
- Health Planning in India 375
- The National Health Plans 375
- National Institution for Transforming India Aayog 380
- Involvement of Stakeholder In Health Planning 382
- National Health Policy 383
- National Health Protection Mission/Ayushman Bharat Scheme 390
- Comprehensive Primary Health Care 395
- Population Dynamic and Control 396
- Theories of Population 398
- Factor Influencing Population Increase 401
- Sources of Demography 402
- World Population Trend 404
- Demographic Trends in India 405
- National Population Policy, 2000 408

- Methods of Family Spacing 412
- Aspects/Advantages of Family Planning 413
- Contraception 414
- Natural Method 414
- Barrier Method 415
- Intrauterine Devices 416
- Hormonal Contraception 418
- Terminal Method 419
- National Health Committee 420

International Health Agencies 423

- World Health Organization (WHO) 423
- International Council of Nurses 425
- UNICEF 428
- United Nations Fund for Population Activities 429
- World Bank 429
- United Nation Development Programme (UNDP) 430
- Food and Agriculture Organizations 430
- DANIDA 430
- USAID 430
- International Labor Organization 431
- Colombo Plan 431
- Cooperative for American Relief Everywhere 431
- UNESCO 431
- Ford Foundation 432
- Indian Red Cross 432
- The Kasturba Society Memorial Fund 433
- Hind Kusht Nivaran Sangh 433
- The Family Planning Association India 433
- The Indian Nursing Council 433
- All India Women's Conference 434
- The Central Social Welfare Board 434
- Telemedicine 434
- Telenursing 438

Chapter 9: Healthcare Delivery System in India 439

- Health Services Organization at Different Level in India 439
- District Level 441
- Urban Local Bodies 442
- Healthcare Delivery in India 444
- Health Status and Health Problems 444
- Health Problems in India 444
- Noncommunicable Diseases Problems 446
- Healthcare System 448
- Health Services for the Rural Areas 449
- Role and Function of a Health Worker Female 456
- Role and Function of a Male Health Worker 459
- Job Responsibilities of a Health Supervisor 461
- Job Responsibilities of a Multipurpose Health Supervisor (Female) 461
- Job Responsibilities of a Staff Nurse at Public Health Center 462
- District Public Health Nurse 463
- Roles and Responsibilities of A Community Health Nurse 464
- Midlevel Healthcare Provider 465
- Healthcare Infrastructure in Urban India 466
- Health Insurance Scheme 469
- Other Government Health Services 471

- Planning Inservice Education Program and Teaching 472
- Referral System 475
- Public Private Partnership 476
- Organization and Administration of Nursing Service 479
- System of Medicine 482
- Allopathic Medicine 482
- Complimentary and Alternative System of Medicine 483
- Ayurveda 484
- Yoga 485
- Unani 486
- Siddha 487
- Sowa-Rigpa 488
- Aroma Therapy 489
- Macrobiotic Diet 489
- Orthomolecular Diet 489
- European Phytochemicals 490
- Traditional Chinese Herbal Medicine 490
- Acupressure 491
- Chiropractic Medicine 491
- Feldenkrais Method 491
- Tai Chi 492
- Massage Therapy 492
- Mind-Body Intervention 493
- Art Therapy (Creative or Expressive Art Therapy) 493
- Biofeedback 493
- Meditation 493
- Imagery (Visualization) 494
- Music Therapy 494
- Psychotherapy 494
- Energy Therapies 495
- Role of a Nurse 495

Chapter 10: National Health Program 497

- National Vector Borne Disease Control Programme 497
- Malaria 499
- National Framework for Malaria Elimination in India 502
- Elimination of Lymphatic Filariasis 506
- Kala-Azar 507
- National Kala-Azar Elimination Programme 507
- Control of Dengue/DHF 508
- Japanese Encephalitis 509
- National Nutrition Programme 509
- National Nutrition Policy 509
- Vitamin A Prophylaxis Programme 512
- Nutritional Anemia Prophylaxis Programme 514
- Anemia Mukht Bharat Programme 514
- Six-Six-Six Strategy to Combat Anemia for Anemia Mukht Bharat 515
- Mid-Day Meal Programme 519
- Balwadi Nutrition Programme 519
- ICDS Programme 519
- Supplementary Nutrition Programme 520
- Iodine Deficiency Disorder Control Programme 521
- Special Nutrition Programme 522
- Universal Programme on Immunization 522
- Mission Indradhanush 525
- Pulse Polio Immunization Programme 526
- Yaws Eradication Program 529
- National AIDS Control Programme 530

- NACP Phase-IV Extension (2017–2021) 532
- Family Welfare Programs 534

Reproductive and Child Health (RCH) Programme 535

- RCH Phase-I: Main Objectives of the Program in its First Phase 535
- RCH Programme: Phase II 538
- Reproductive, Maternal, Newborn, Child and Adolescent Health (RMNCH+A) 542
- Adolescent Health Services [Rashtriya Kishor Swasthya Karyakram (RKSK)] 545
- National Health Mission (NHM) 547
- National Rural Health Mission (NRHM) 547
- National Urban Health Mission (NUHM) 553
- Convergent Action in Urban Areas 554
- National Rashtriya Bal Swasthya Karyakram (RBSK) 556
- National Leprosy Eradication Programme (NLEP) 557
- National Programme for Control of Blindness 560
- National Tuberculosis Elimination Programme 563
- National Strategic Plan for Tuberculosis Elimination 2017–2025 564
- TB-HIV 569
- National Mental Health Programme (NMHP) 571
- Integrated Disease Surveillance Project (IDSP) 571
- Twenty Point Programme 573
- Minimum Needs Programme 575

Chapter 11: Communicable and Noncommunicable Diseases 577

- Classification of Diseases 577
- Immunity and Immunization 578
- Cold Chain and National Immunization Schedule 580
- Epidemiology of Communicable Diseases 583
- Meningococcal Meningitis 593
- Coryza (Common Cold) 594
- Flu (Influenza) 595
- Severe Acute Respiratory Syndrome 595
- Corona Virus Disease (COVID-19) 596
- Tuberculosis 599
- Poliomyelitis 601
- Viral Hepatitis 603
- Cholera 609
- Acute Diarrheal Diseases 610
- Typhoid Fever 612
- Helminthic Diseases 615
- Amebiasis 615
- Hookworm Infestation 618
- Dracunculiasis 619

Arthropod-borne infections 619

- Dengue Syndrome 619
- Malaria 622
- Rabies 625
- Plague 627
- Tetanus 628
- Leprosy 630
- Sexually Transmitted Diseases 633
- Gonorrhoea 635

- Syphilis 636
- Chlamydia Urethritis 636
- Chancroid 637
- Molluscum-contagiosum 637
- Balanitis 638
- Epidemiology of Chronic Noncommunicable Diseases and Conditions 638
- Cardiovascular Disease 639
- Hypertension 640
- Rheumatic Heart Disease 640
- Diabetes Mellitus 642
- Anemias 645
- Obesity 648
- Stroke: Cerebrovascular Accident 649
- Blindness 651
- Accident and its Control 652
- Cancer 657
- Breast Cancer 659
- Cancer of the Uterine Cervix 661
- Oral Cancer 663
- Parasitic Zoonoses 666
- Surface Infection 667
- Disease Prevention and Control 668
- Surveillance 669

Chapter 12: Community Mental Health Nursing 672

- Magnitude of Mental Health Problems 672
- Mental Health Care Services in India 673
- History of Psychiatric Nursing 675
- Mental Health Nursing in India 676
- Models of Community-based Psychiatric Care 676
- National Mental Health Program 677
- The Service Component of NMHP 678
- Challenges for Mental Health Care in India 682
- Population at Risk for Mentally Ill 682
- Crisis Intervention 684
- Human Rights of Mentally Ill 689
- Community-based Rehabilitation 690
- Substance Abuse 692
- Alcohol Dependence Syndrome 692
- Opioid Disorder 692
- Cannabis Use Disorder 693
- Cocaine Use Disorder 693
- LSD Use Disorder 693
- Prevention of Substance Use Disorder 693
- Welfare Agencies Working for Mentally Challenged People 693
- Role of Community Health Nurse 695

Chapter 13: Geriatric Care 697

- Introduction to Concept of Geriatric Care 697
- Senior Citizen in India—An Indian Scenario 697
- Theories of Aging 698
- Biological Theories 698
- Psychosocial Theories 700
- Developmental Theories 701
- Aging Myths and Facts 702
- Factors which Influence Aging 702

- Normal Changes in Aging 703
- Health Problems of the Aged 706
- Geriatric Care 707
- Health Assessment of Geriatric 708
- Approaches to Aging 710
- Functions of Gerontological Nurse 711
- Nurses Role in Health Care of the Elderly 712
- Old-age Rehabilitation 713
- Successful Aging 715
- Welfare Programmes for the Old Peoples in India 718
- The National Policy on Older Persons 719
- The National Policy of Senior Citizens 2011 721
- National Programme for Health Care of the Elderly (NPHCE) 724
- Elderly Abuse 724

Chapter 14: School Health Nursing 729

- Concept of School, School Health and School of Nursing 729
- Components of School Health Services 730
- Disaster Management 732
- First Aid and Emergency Care 734
- Foreign Bodies 736
- Fractures, Sprains, Strains and Dislocations 739
- Shock 739
- Adolescent Health 741
- Preventive Strategy 743
- Student Counseling 744
- Counselor 746
- The Counseling Process 747

Chapter 15: Occupational Health Nursing 750

- Occupational Environment 751
- Occupational Hazards 751
- Occupational Diseases 753
- Pneumoconiosis 754
- Occupational Dermatitis 757
- Occupational Cancer 757
- Measures for Health Protection of Workers 759
- Measures for Women and Children 760
- Occupational Health Team 761
- Prevention of Occupational Diseases 762
- Medical Measures 762
- Engineering Measures 762
- Legislative Measures 764
- Workplace violence 766
- Child labor 767
- International Labor Organization (ILO) 769
- The Role of Occupational Health Nurse 771

Chapter 16: Rehabilitation 773

- Terminology 773
- Concept of Rehabilitation 773
- Issues in Rehabilitation 774
- Types and Methods of Rehabilitation 776
- Rehabilitation Team and their Roles 777

- Psychosocial Rehabilitation (PSR) 778
- Models in Rehabilitation 781
- Rehabilitation Council of India 787
- Community-based Rehabilitation (CBR) 788
- Role and Functions of a Community Health Nurse in Rehabilitation 789

Chapter 17: International Health 793

- About Global Burden of Disease Project 793
- Different Indicators to Measure Global Health 795
- Deaths Across the Globe: An Overview 795
- Risk Factors for Global Problems 795
- Global Status Report on NCDs 2014 797
- Global Health Priorities 799
- Global Health Conditions 800
- Top 20 Grand Challenges to Control Noncommunicable Diseases 801
- Agencies to Tackle Global Problems 804
- The Role of NGOS 805
- International Health Regulations (IHR) 806
- International Cooperation and Assistance 810
- International Quarantine 812
- International Trade in India 814
- Migration 815
- Health tourism 818
- Destinations for Medical Tourism 820
- Isolation 823
- International Health Days and their Significance 825

Chapter 18: Community Health Administration 829

- Quality Assurance 829
- Models of Quality Assurance and Quality Management 832

- Quality Assurance Cycle 834
- Quality Assurance Program 835
- Quality Assurance in Nursing Education 838
- Nursing Audit 839
- Standard 841
- Standard by the Indian Nursing Council 842
- Standard by the State Nursing Council (SNC) 842
- Staffing Recruitment and Performances Appraisal 843
- Recruitment 845
- Performance Appraisal 847
- Legal Standards of Practice 850
- Legal Issues in Community Health Nursing 850
- JCAHO Standard of Nursing Practice 851
- Indian Public Health Standards 852
- The Design of Primary Health Center following IPHS Guidelines 852
- The Design of Community Health Center following IPHS Guidelines 854
- Subcenter Standard following IPHS Guidelines 856
- Standard for Community Health Nursing Practice 857
- Policies 859
- Protocol 861
- Material Management 862
- Budget and Budgeting 865
- Public Relation 868
- Job Description of Different Nursing Personnel 870
- Leadership 881
- Supervision 884

Chapter 19: Disaster Management 888

- Definitions 888
- Disaster Nursing 894
- Disaster Cycle and Management 895
